SEAN WALLACE

Mars Hill, NC 28754 • Cell: 504-343-8220 • seanwallacemusic@gmail.com

Graduate student in Instructional Technology and Design at UNC Greensboro with interests in learning sciences, instructional design, educational equity, and creative technology. Experienced in research support, resource development, technical problem-solving, and communicating complex information clearly. Brings a creative, collaborative approach to designing accessible learning experiences and technology that support meaningful learning and community engagement.

PROFESSIONAL EXPERIENCE

UNC Greensboro, Greensboro, NC | *Research Assistant* April 2026 – August 2026

- Supported faculty-led educational research investigating the integration of embodied learning and computational thinking into fifth-grade biology instruction.
- Cleaned and organized interview and classroom transcripts, maintaining consistent documentation to support analysis of qualitative research data.
- Created instructional slide decks used by the collaborating teacher during curriculum implementation and developed documents presenting assessment results and data visualizations.
- Presented research findings to collaborating research teams from other universities and participated in weekly project meetings and cross-university project updates.
- Contributed to research dissemination by answering a research question for a conference proposal, with submitted writing incorporated into the final proposal, and assisting with development of the research manuscript.

Vintage Kava, Weaverville, NC | ***Back of House Manager*** October 2025 – Present

- Oversee all back of house operations as the primary point of responsibility, with full ownership of production 5 days per week.
- Prepare kava and a variety of specialty drinks, maintaining consistent quality and adherence to recipes and standards.
- Manage ingredient inventory, supplies, and workspace organization to ensure seamless daily operations.
- Coordinate handoff and continuity with relief staff on off days, ensuring consistent standards are maintained across all shifts.

Dollar General, Mars Hill, NC | ***Merchandising Associate*** April 2025 – February 2026

- Maintained organized product and inventory systems, ensuring accuracy and attention to detail.
- Supported team operations, fostering collaboration and efficient workflow.
